Please include the amount you feel your family could pay to access the support provided at CAOS. Attach an additional sheet if necessary.

How much money would your family be able to commit to your child's communication skill development each month? _____

SECTION 2: NARRATIVE

The purpose of this section is to ensure that the family's commitment to developing listening and spoken language skills warrants financial support from Carle Center for Philanthropy. Producing successful listening and spoken language communicators is the goal of CAOS and the Carle Center for Philanthropy. That goal cannot be achieved without support and commitment from home. Ensuring that there is family support and commitment is essential before awarding financial support.
